

Books For Schools

Jan 2025

Which Schools Need Books?

A decorative border of colorful books surrounds the text. The books are drawn in a simple, stylized manner with thick black outlines and are arranged in a circular pattern around the central text. The colors of the book covers include yellow, orange, purple, brown, blue, green, pink, red, teal, and light blue.

Dedworth Green First School

Age range of children: 4-9

Fiction, non-fiction.

The books in our library are
very old and unfortunately
very loved.

We would to push the love of
reading and give our children
the opportunity to choose
from a range of books.
