Have You Heard? Local Chat

JULY 2025

Please enjoy our 2nd Edition aimed at local people who'd like to know what's going on locally but struggle to source community news & information.

We aim to publish monthly, including a list of local community group news & events. We'll share help that's available from groups and reflect their need for volunteers. Let us know if you need help.

We have produced hard copy directories of community groups and charities for both Windsor and Maidenhead. These are available in a digital version for those with computers & mobiles but we know not everyone wants to be a slave to tech.

Originally created for those looking to volunteer it has proved far more valuable to the local community and is used by many different people.

It can be very difficult for people when life throws them a curve ball. Knowing where to find help can be a minefield. Our directories offer many possible solutions and suggestions on where to start looking.

We want to give the directories away. To do this we need donations from those who appreciate our work. You can donate via the QR code, alternatively contact us to say how you'd like to help.

We're looking for sponsors for this latest initiative, to keep a regular flow of useful information easily accessible offline in local meeting places.

The idea is to drop 6-10 copies off at each cafe, restaurant, pub, public spaces, in and around Windsor. If you're not on our list, give us a shout and we'll drop some off and add you to our thank you list of those venues joining in.

Are you part of a local community group that's not listed in our directory or thinking of starting one?

JULY 2025

I Love Windsor CIC Summer Solstice BELIEVE Community Celebration on Saturday 21st June rocked The Swan in Clewer Village.

windsorsolstice.co.uk

Eddie Piekut got the event off on the right foot, with his tales of the Boundary Walk which has raised hundreds of thousands for local community groups over the years.

Susie Shearer followed, talking Wild Windsor and local initiatives that inform those interested about their natural environment.

Keith Patton got the wheels a turning talking about the work of Windsor Cycle Hub and he also got us paddling downstream with Riverwatch.

Cllr Jodie Grove then talked of growing up in the East End before moving to Maidenhead and adopting a posher accent!

Dianne Redvers encouraged us to buy local and if not, to try and do it fairly. Fair Trade need volunteers

Jack Rankin MP talked about making sure you are surrounded by the right people to help you keep believing in yourself so you can achieve your goals.

James Manwaring's story was music to our ears!

Tim Walker is learning to stop hiding his light.

Rafiq Chohan advised just keep believing.

Richard Allen peaked on Scafell Pike.

Micky Foden-Andrews talked about being a WINNER

Windsor Pride turned up the volume on their event.

The Windsor Newbies Social Group

is the longest running group for all things socials. Run by local people for local people.

The group was formed in March 2018 for the purpose of making new friends and having things to do. It's an ideal place if you're new to the area or have lived here for a while but just want to meet new people.

We run a variety of activities. To mention a few, monthly drinks nights, dinner nights, cinema nights, weekly walks in the spring /summer, go karting, golf and many many more.

Please join the group on Facebook and pop along to one of our socials.
