

Tesco Dedworth Summer Refit News

Amanda, Raheel and Kamila will Manage the Refit...

Tesco Dedworth Refit 30th June to the 19th September

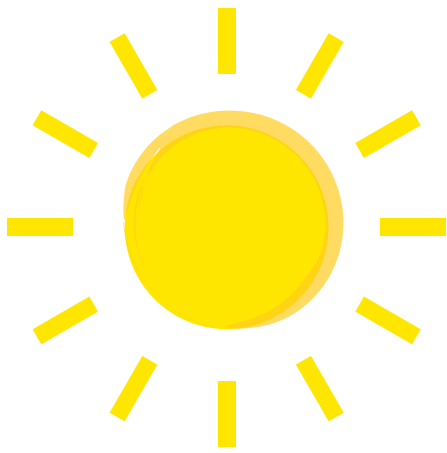

Amanda is the Store Manager, Raheel will manage the day time refit crew, Kamila will manage nights. See inside pages for some of the changes we hope you'll appreciate when completed.

The store is going to have a major refit over the next few months and we hope you love the end result. It will mean some disturbance to your normal shopping routine but we will try to minimise that by having a dedicated team of helpers on hand to answer any questions you may have and assist you in trying to find all the items you came in for.

Temporary Opening Times **Mon-Thurs 8am - 9pm**, Fri-Sun as normal.

Any questions just ask staff or email 3404@uk.tesco.com

Thank you for your understanding

Look out for signage around the store. It will be changing frequently to keep customers up to date with the progress of the refit.

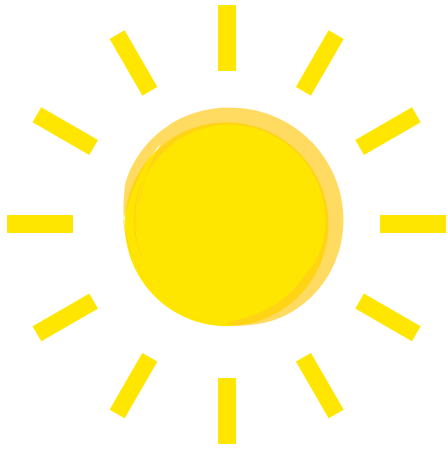

We are keeping all the checkouts. We are making them dual purpose so in busy times you'll be able to self serve but we are not removing the ability for a checkout assistant to serve you.

Where the Scan as You Shop devices are now, will become the all new Customer Services area.

Flowers will be moved to the side wall, where the Meal Deals are now and there will be a whole brand new grocery area with ample storage for all your fruit & veg needs.

There'll be brand new eco friendly fridges in aisle 4, where health & beauty is right now.

Nappies will be found down where the beers, wines & spirits are currently.

Household items where the crisps are and the cereals along the back wall.

There's a plan, there's a team and they will be as efficient as they can and they hope to have it all done by the middle of September.

Please bear with us and contact us with any concerns you may have.

All just in time for Christmas when we'll have local community groups and choirs to entertain you while you enjoy our shiny new ECO FRIENDLY store.

SORRY for any inconvenience.
